D. Commissioners Office
Hapan District
Dated Hapan 28th January
1895

From, P. N. Purnaiya Esquire
D. Commissioner
Hapan District,

To, The Chief Secretary to the
Govt. of Mypore,

Sir, I have the honor to submit
that the members of the Arkal-
-gud Municipal Board have,
in a meeting held, adopted
a resolution to apply for sanc-
-tion for imposing octroi duties
on certain articles brought into
the Town, on the ground that
the Municipality has large de-
-mands on it, to meet the conser
-vancy requirements, and that
the Town is also a large one
while the income is insufficient
When I visited the place during
the Jamabandy of last year

in March last the members
represented the same to me.
Considering the financial
circumstances of this Munici-
-pality, it appears that some
measures for bettering the
income are very necessary
It is especially so as there was
not material increase by the
general revision of the Mohu-
-sufa taxes conducted by
Mr. Venkata Row, Assistant
Commissioner. -

2. In all the Taluk Kasbas
in the District, octroi is collec
-ted Excepting in this Arkal
-gud and Hole Narsipur Mun
-icipalities. -

3. The Members of the Hole
Narsipur Municipality have
likewise applied for the

introduction of the octroi levy into these Towns. –

4. Prior to 1885–86 the levy of octroi duty in these Municipalities was in force and this was abolished in accordance with the instructions conveyed in Proceedings No. 6687–8 / 242 dated 24th February 1886. –

5. The Members now propose to subject the following articles for octroi duty. –

Arkalgud	Hole Narsipur
Cocoanuts fresh.	Cocoanuts fresh
– do – dry.	– do – dry.
Betel leaves.	Betel leaves.
Tobacco	Tobacco
Kerosine oil.	Piece goods.

6. The Members of Arkalgud Municipality have opined that Piece goods may be subjected afterwards to the duty of the

on the articles is insufficient.
But I beg to state that in case
their request is granted, it
will give room for smuggling
from and to Hole Narsipur,
which is not far off. Piece-
goods form the important
item. I do not consider it
advisable to exclude the same.
The rates proposed are those
in force in other Municipalities and the majority
of the non official members
are in favour of including
piece goods also - four in favour
two against.

7. I request you will be good
enough to obtain sanction of
Government for imposing

Octroi

above mentioned. -
